Santa's Elves – Carepack Distribution Team contributes by...

- Supporting the enjoyment of a festive and meaningful day for our guests by ensuring the smooth roll-out of carepack distribution to our adult guests. (carepacks contain a variety of food and personal care items which can truly make a difference to those who need it most).
- Keeping oversight of stock of carepacks within their respective distribution areas.
- Replenishing stocks in distribution areas as needed, from items in the bulk storage location.
- Keeping the bulk storage location tidy and rubbish-free, cleaning as you go.
- Storing all left over gifts and carepacks for future delivery to our agency partners.
- Reporting all incidents and near-misses to the Gift & Carepack Supervisors, no matter how small.
- Referring any medical situations to the St. John's Ambulance First Aid station outside.
- Referring any unsafe situations to Security.
- Eating lunch! Just check time with your Gift & Carepack Supervisor and collecting from the Food & Beverage Supervisor.
- **Enjoying the day and sharing that joy with others!**
