The Pack-Up Team contributes by...

- Supporting the enjoyment of a festive and meaningful day with our Event Team, by ensuring the venue and surrounding area is safely dismantled and packed up in a safe, efficient and timely manner, and, the tinsel and glitter are put away until next year.
- **Making yourself available for your dedicated shift on either Friday 25 or Sunday 27 December.**
- Working collaboratively in teams of 12, stacking up some 100+ tables, 1,500 chairs, food & beverage areas, games and activity zones and other miscellaneous items, as advised by the Event Manager.
- Doing some of the heavy lifting – literally – and making sure it's done safely in enclosed footwear and within our health and safety guidelines. There is a high chance you may get a little dirty and/or dusty, so please keep this in mind when choosing your comfortable clothing.
- Preparing event gear, box loads and pallets, ready for collection.
- Reporting any risks, hazards and incidents to Mission Australia staff.
- Ensuring you sign in and out for your nominated shift(s)
- **Having fun with your pack-up team members!**
