## Your brief

You're a water baby! A person who likes to ensure everyone has what they need on a warm summer's day. As a Water Station Crew volunteer, you'll assist guests by filling their water bottles for them, as they approach the drinking water stations. Hygiene and guest safety is our number one priority and your diligence to ensure a hygienic re-fill every single time is what makes you tick! You have high standards and love to keep everyone hydrated.

### Arriving onsite

Please arrive onsite at your allocated time and register yourself at the Volunteer Registration point. Here you will collect your lanyard, water bottle and any PPE before reporting to your Floor Supervisor for further briefing.

### Event timings

Please refer to the event schedule.

Mostly sitting

High level of interaction

## As Water Station Crew, your contribution is

- Support our guests' enjoyment of Christmas Lunch in the Park 2020, through your warm, friendly attitude and your active, can-do approach. **And, of course, to have fun!**
- Cheerfully greet guests as they approach the drinking water station.
- Wearing gloves, you'll take their water bottle from them and re-fill it for them, ensuring a hygienic re-fill every time.
- Ensure guests are social distancing while waiting for their re-fill, ensuring a quick pace of filling to alleviate long queues.
- If you leave the water filling area, be sure to change your gloves upon return to maintain high standards of hygiene at all times.
- Make sure you eat lunch and stay hydrated! Just check with your Floor Supervisor before collecting your lunch from the F&B Supervisor.
- Help maintain your zone, ensuring areas are kept clear and rubbish is disposed. We'll all refrain from packing up at the end of the event, until after the official close and as advised by supervisors.
- **Remember to wear gloves and the social distancing requirements at all times.**
- **Report all incidents, issues or concerns to your Floor Supervisor, no matter how small it may seem.**
